Good morning Evette,

Thanks for the e-mail. Margaret Herring is assigned as the CI and Tom Turner is the attorney for this Site. They have worked on it for many years and they are very knowledgeable about its history. They can assist with providing a response to this FOIA request.

I have spoken with Margaret and I am copying Margaret, Tom and Fouad on this e-mail.

Thank you,

Carolyn

Good morning:

I have received a FOIA request regarding the Bautsch-Gray Site, Fouad was the Enforcement Specialist. The estate of Lois Wienen was sent a General Notice Letter asking them to help pay for the clean-up at the site. The attorney for the estate is asking for any evidence that was used to determine that Ms. Wienen's estate is liable.

I realize that Fouad is currently on a detail, please let me know who is taking over this site for Fouad. I have enclosed a copy of the letter for your review.

Thanks
